# Newsletter

**13 May 2013 Volume 16, Issue 5**

Dear Parents and Carers

Last week parent teacher interviews took place on the senior site. The evening was extremely well attended and feedback from parents was very positive. Talking with teachers on a regular basis provides an opportunity to hear firsthand about the academic and social progress of your child. These meetings are also an integral part of building a strong home school partnership and an outstanding school. If you did not get a chance to come along to school and would like to meet with individual teachers, please get in touch via email or by phoning the school.

Many of our students recently took the opportunity to attend a year nine information evening at Gungahlin College. The staff spoke at length to our students and parents about the exciting courses on offer in years 11 and 12. I would like to thank the principal, Mrs Gai Beecher and her staff for their warm welcome.

The National Assessment Program in Literacy and Numeracy for students in years 3, 5, 7 and 9 begins on Tuesday. Although the tests only provide a snapshot of the reading, writing, spelling, grammar and punctuation and numerical skills of individual students, the school performance data as a whole provides a basis for ongoing improvement, and is the measure by which Gold Creek is compared with other schools in Australia. I am sure that the students will endeavour to do well throughout the week and I wish them luck.

Last week, I visited our two main feeder primary schools, Ngunnawal Primary School and Palmerston District Primary School and have been invited to present our strategic direction to the School Boards and Parent and Community groups. I will take the opportunity to boast about our wonderful school and to encourage parents to select Gold Creek as the school of choice for their children.

Our Year 7 Information Evening will be held on Wednesday 22 May from 6.00pm until 7.30pm. This is an excellent opportunity for prospective students and our current year 6 students and parents to find out about the next stage of schooling. I shall look forward to seeing you all there.

Kind Regards

Linda Baird  
Principal

## JUNIOR SITE NEWS

### NAPLAN

We are coming up to that time of year when our students sit the National Assessment Program (NAPLAN). The students will complete literacy and numeracy assessment over a three day period. This is from Tuesday 14 May until Thursday 16 May. The students directly involved are from Year 3, 5, 7 and 9. The data gathered from this assessment process is very important as it helps inform our school's strategic plan in maximising student outcomes.

NAPLAN provides only one component of our comprehensive assessment process at Gold Creek School. We believe the purpose of assessment is to improve learning, inform teaching, help students achieve the highest standards they can and provide meaningful reports on students' achievement. Assessment is used by learners and their teachers to decide where the learners are at in their learning, where they need to go, and how best to get there.

The assessment structure we use is both a formative and summative process. It is part of an ongoing cycle that includes planning, documenting and evaluating students' learning. Formative assessment is used to provide feedback to students and teachers to promote further learning. Summative assessment contributes to the judgement of student learning for reporting and certification purposes. We have found when students are given feedback and assessment that emphasises progress and achievement; students are motivated to keep learning. We aim to deliver feedback that is specific, respectful, timely and constructive.

### Year 5 Camp

I would like to congratulate the fabulous teachers for all their care and attention given to our year 5 students who attended the Coast life camp. The year 5 students deserve a 'very well done' on their behaviour, participation and enthusiasm on camp. We look forward to seeing some great photos at assembly soon.

### Assembly Change

The WEEK 4 Friday assembly scheduled for the junior site is being held on the senior site on Friday 24 May. We are helping out Holy Spirit School who desperately need the junior site hall on that Friday. Thank you for your support.

*Warm regards, Brenda Ryan*

### KINDERGARTEN NEWS

Welcome to term 2! We have had a very busy start to this term and have hit the ground running! We are very excited because we have been at school for **50** days now! **What an achievement!**

Our integrated unit this term is based on investigations around 'Stories of the Past'. The students are busy posing questions which we hope their families will help them answer.

**Well done** to all the students who are changing their home readers on a regular basis. The improvement in reading has been ENORMOUS with so many children achieving 60 night reading awards, well done! A **HUGE THANKYOU** to all our parents and carers who give up their time each morning to listen to the children read. Your time and effort is truly valued ☺

Please remember to send in fresh fruit, vegetables or cheese in with your child **EVERYDAY**. We have fruit break every morning at 10am and all children are expected to have something appropriate to eat!

Please ensure that your child has a jumper with their name clearly labelled in it as the weather is beginning to cool down.

Thank you for all your ongoing support.

*Megan Searson-Patrick (KMS), Jo Hampton (KJH), Cadeyrn Ollerenshaw (KCO) and Katie Young (KKY).*

### YEAR 9 NEWS

Students and teachers alike have been busily preparing for NAPLAN which will be held in Week 3. Over the last week, teachers have been using the practice NAPLAN test to inform their teaching and to provide feedback to students. We now hope that students take this advice on board over the coming weeks. Students are now reminded to make sure that they get plenty of rest over the NAPLAN period and to try their best to arrive to school refreshed and nourished.

Gungahlin College visited Year 9 students at the end of last term to discuss their transition to college. The visiting teachers discussed how their current pathway choices and NAPLAN results will help them to gain entry into college programs. If students have further questions regarding their transition to college they are encouraged to talk with their homeroom teacher.

#### **Ski trip**

This year Gold Creek School will be running a day trip to Thredbo Snow Resort. The proposed date is Term 3, Friday 26<sup>th</sup> August. Beginners are welcome on the trip as all students attend a morning lesson on the day by a qualified instructor. Skiing and snowboarding are both options (snowboarding will incur an extra cost). It is anticipated that the cost will be kept under \$200 and parents/guardians can expect notes to be distributed in the next few weeks.

#### **Star party**

A star party (telescope evening) will be held at Gold Creek School on Tuesday 14<sup>th</sup> May for Year 10 Advanced students. Families of these students are encouraged to attend and a gold coin donation to the Canberra Astronomical Society will be appreciated. Students who have a particular interest in astronomy, but have not part of the Year 10 Advanced classes are encouraged to contact Robyn Harris (email [robyn.harris@ed.act.edu.au](mailto:robyn.harris@ed.act.edu.au)) to obtain a permission form.

*Robyn Harris*

Science/Year 9 Executive teacher

#### **IGNITE CAMP**

On the first week back to term two, 16 people went on a camp called Ignite. We were at the camp for three days. Tuesday, Wednesday and Thursday. On Tuesday morning we packed our stuff into the trailer and left for Birrigai at around nine. Once we got to Birrigai we met Scott. Scott was the person who took us onto all of the activities. We had a small talk with Scott and then we took our luggage to our cabins. Our cabins were fairly big. There was a bathroom and a toilet in each one. Each room had a few bunk beds. There were two rooms for the girls and one room for the boys. We all put our things in the cabins and then we all went to a meeting area to talk with Scott. He told us all about the camp and he showed us to the kitchens.

For all of the three days we had to cook for ourselves. Once we had been showed around we were free to do what we wanted until 1pm. In that free time we had to make ourselves lunch. Once the clock spun around to 1pm everyone met at the meeting area to go to our first set of activities. Our very first activity was called the Vertical Play Pen. The vertical play pen is where there are four people in harnesses. On one side there are two people that have to climb up rope netting, a stapled pole that rotates, and then a rock wall. On the other side the other two people in harnesses have to climb up a giant ladder. The ladder is so big that two people have to work together to get to the top. All of the activities were about team work, so everyone got to do something. The people that were not climbing had to belay.

Before we did the second activity we had afternoon tea. Our second activity was the Big Swing. For the big swing there was one person in a harness and then everyone had to use a rope to pull them up. The full height of the big swing was ten metres. Once you were at the height that you wanted to swing from you would pull a cord and then you would fall and swing. After we had finished on the big swing we had to go back to the camp and have dinner. In the afternoon we all went down to the camp fire and roasted marshmallows. Before we went to bed Mr Brown told us a bed time story. Everyone had to be asleep by 10.

The next day we all got up and made breakfast. Our first activity that day was a giant hike to the top of a mountain. It took us around an hour and a half but it was worth it. Once we got to the top we got to explore the amazing views. We also ate lunch on a giant boulder. It took us around the same time to get back to the bottom

Then it was onto our next activity which was the crate stacking. The crate stacking is where there are two people that are in harnesses and then there are people that are not in harnesses that stay on the floor. The people on the floor have to help the people in harnesses to build a crate tower for them to stand on. Everyone has to see how high they can get the people in the harnesses. There was a helper called Rosy to help Scott belay. The average amount of crates was nine. After everyone had a go we moved onto the next activity. The next activity was the Leap of Faith. The leap of faith is where a person in a harness has to climb a giant pole, stand on a small platform and then jump out to a red ball. Almost everyone got two turns on that and then we all went for free time and dinner.

In our free time everyone played a spot light. Then, while Mr Brown started the fire everyone went on a night walk. Unfortunately, but not surprising, we didn't spot any animals because we were too noisy. While we were doing the bush walk we stopped and laid on a hill and looked up at the stars. We then headed back to the camp fire to roast more marshmallows. We all told stories like last time. Mr Brown also taught us a game called Shoom, which is really fun. Then we had our bed time story. Then we had to go back to our cabins, but because it was our last night we were allowed to stay up as long as we wanted as long as we weren't too noisy.

The next morning we all had our last camp breakfast and then we all met up in a fancy meeting room with wheelie chairs and a big table. We all did some activities to get to know each other better and become better friends. We had free time and lunch after a while and then went back to work. We played a few games together and then we got to play forty-four homes in free time. After our free time was up we all had to take our bags to the meeting area and wait for the bus. While we waited we all played Shoom again. We talked and then we had our last story time. We all walked out to the front of the camp and waited for the bus. Before the bus came we had to say good-bye to all of the people that we met on the camp. The bus came and we all got on and went back to the school to take busses to go home and tell our friends and family all about it.

### *Students on the Iginte Camp*

### **GORDIAN KNOT PROBLEM NO. 3**

#### **MIDDLE SCHOOL PROBLEM YEAR 6, 7 AND 8**

How many cards must be drawn from a standard 52 deck of cards to guarantee that at least two from each suit are chosen?

**Answer:** 41. All 13 of the first three suits and two of the last suit.

**Winners:** Munib S, Michael V & Moses K (in no particular order)

#### **SENIOR SCHOOL PROBLEM YEAR 9 AND 10**

The customer says to the hardware shop assistant: "What does 1 cost?" to which the assistant says "\$2"

The customer says "What does 12 cost?" to which the assistant says "\$4"  
"How about 127?" "\$6"  
What is the customer buying?

**Answer:** The customer is buying house numbers.

### **GORDIAN KNOT PROBLEM NO. 4**

#### **NEW PROBLEM – SENIOR SCHOOL YEARS 9 & 10**

There are three boxes on a table. One of the boxes contains Gold and the other two are empty. A printed message is on each box. One of the messages is true and the other two are lies.

The first box says 'The Gold is not here'  
The Second box says 'The Gold is not here'  
The Third box says 'The Gold is in the Second box'.  
Which box has the Gold?

#### **NEW PROBLEM – MIDDLE SCHOOL YEARS 8, 9 & 10**

The capacity of a ferry boat is either 48 children or 36 adults. If 20 children are on the ferry boat, how many adults can still get on?

### **DEBATING**

Waiting at the starting blocks

The junior teams debated on Monday 6<sup>th</sup> May, while the Senior team had Wednesday night off as their opposition (CGS) could not attend because their kids were on camp. The Juniors did very well and thoroughly enjoyed themselves in the process.

### **CHESS CLUB**

After a general enquiry about students interested in forming a Chess Club, a small number of enthusiastic Chess players, mainly in Years 6, 7 and 8, met to discuss where and when they could all play. These people agreed that chess during the two short breaks in the day was impractical and that an hour after school would be preferable.

I would like to invite any players from anywhere in the School to come along and play chess on a **Thursday afternoon from 3pm until 4pm**. Hopefully, in the near future, Gold Creek School will have established chess teams for entry into the ACT Schools competitions. The Club will be supervised by Clive Mackillop and expert coaching is available.

## SPORTS NEWS

### CROSS COUNTRY

On Friday of week 1 the senior site cross country was held here at school. The weather was perfect and the students participated in true house spirit. The competition was hotly contested and the results were well deserved for the students first across the line.

After the cross country students had an extended lunch with a BBQ and free fruit on the concourse. Straight after lunch students and staff played an Indigenous sport on the ovals. Burinjoin is a game similar to AFL and European Handball.

It was great to see the level of participation and enthusiasm for a fantastic end to the week. I look forward to seeing the winners represent Gold Creek School at the ACT Championships in week 6.

Sports coming up this term are:  
Volleyball, Futsal & AFL

*Regards, Grant Haigh | Executive Teacher  
Sport, Health & Physical Education and Year 10*

### STUDENT ABSENCES

If your child is absent email [info@goldcreek.act.edu.au](mailto:info@goldcreek.act.edu.au) or telephone the Primary Site - 6205 5737 Senior Site - 6205 1792 before 9:30am if possible.

Ensure that you state child's first and last name, homeroom and leave a short message to advise whether your child is sick/on leave.

All absences must also be explained through a written format either email or a note given to the homeroom teacher upon return.

#### Student Attendance Times:

9.00am – 3.00pm (Yr K – 5)  
8.50am - 3.00pm (Y 6-10)

#### Receipting Times (Senior Site):

Monday to Thursday  
8.30am - 8.45am

11.00am - 11.30am and  
1.40pm - 1.55pm

Fridays 8:40am - 11:40am only

#### School Office Hours:

Senior Site: 8.30am - 4.00pm

Ph.No. 6205 1814

Fax 6207 0471

Primary Site: 8.30am - 3.30pm

Ph.No. 6205 2955

Fax 6205 2966

### SECOND-HAND UNIFORMS

Primary – We have a second hand uniform shop manned by a volunteer on a Wednesday afternoon 3.05-3.20pm and Fridays 8.45-9.00am

Senior – We have a volunteer on Monday mornings from 8.30-9pm. Note: We have an abundance of medium sized Jackets and Hoodies in our clothing pool

Donations of second hand uniforms in good condition are always welcome!

#### Do You Have an Old Mobile Phone?

The School is collecting phones for The Youth Cancer School Program supported by Sony and Canteen by sending them all your old unused mobile phones.

There is a collection box at the Senior Site front office.

PS: Make sure you remove your sim card first.

#### Riding to & from School?

If you are riding to & from school on your bike it is vital you wear a helmet at all times.

On arrival please secure your bike in the bike racks using your own chain and lock.

## P & C NEWS

Follow the P&C on Twitter, Facebook and the web at [www.goldcreekschoolpandc.org.au](http://www.goldcreekschoolpandc.org.au). Thanks to Paul for our new website!

### Upcoming events

**P&C Forum Wed 15/5, 6.30pm, Primary Site office:** parents/carers, Principal & staff. Your chance to hear about happenings and directions at the school. Followed by **P&C meeting** at 7.15.

**5c Friday, week 7 this term!** Muffins for the class that raises the most.

**PS Sausage Sizzle:** week 9.

**P&C Family Dinner:** Lakes Club, week 10.

### How you can help:

**Entertainment Books:** On the Primary Site they are being sold to raise money for school resources. On the senior site they are being sold to raise money to support the student's excursion to Japan! Your choice which to support :-). Both worthy of your support. (Preferred payment is through the Entertainment Book website but orders through the office welcome.)

**Woolworths points:** Back again this year. Woolworths will give you a sticker for each \$10 you spend. Please send in to school. The school exchanges these for classroom resources. This has been highly successful in recent years, bringing hundreds of dollars worth of resources for maths and reading to the school. Support from you and from anyone you know (family, work colleagues etc) greatly appreciated!

**Support IGA Nicholls** - great supporters of the school. Support the businesses that support your community.

**Aussie Farmers Direct:** if AFD delivers your milk (and other grocery items), please link your account via their website and the school receives a % of your spend. This raises a few hundred dollars each year!

**School Banking:** open a school bank account through the school and your child can learn the benefits of saving, receive rewards and the school receives a donation from the bank. No minimum deposit. You don't have to bank Commonwealth yourself. Thanks to our wonderful volunteers for helping with this on Fridays. Forms available through the school, or email me for one.

**Also coming up this year:**

- 10c Friday in Term 4 – save your coins now!
- The Spell-a-thon
- Trivia night
- Car Boot Sale

If you'd like to help out with any of these just let me know.

*Regards, Michael Rush, P&C President, mikentan@netspeed.com.au*

## SCHOOL YOUTH HEALTH NURSE NEWS

### TEENAGES AND SLEEP

#### Some common causes of sleep difficulties

Most people need between five to nine hours sleep a night to function.

Often stress and anxiety can lead to sleeping problems. As the stressful situation passes a more regular sleep pattern is likely to return. Irregular sleep patterns can also be related to depression. If you have been feeling down for a couple of weeks and also been unable to sleep it may be advisable to speak to someone such as a local doctor.

#### Other things that may lead to sleeping problems include:

- asthma and breathing disorders
- during the third trimester of pregnancy sleep is also usually dramatically reduced
- stimulants in the blood stream like caffeine and nicotine
- some prescribed and over the counter drugs
- some forms of the contraceptive pill
- decongestants and pain and cold relievers
- jet lag

#### Some of the effects of sleep difficulties

Problems getting to sleep, waking early or not being able to sleep throughout the night can effect your general wellbeing.

Some effects may include:

- decreased concentration levels
- decreased energy levels
- difficulty concentrating
- difficulty remembering things

#### Getting to sleep

Try to set routines and go to bed at the same time each night and get up at the same time each morning. This helps your body clock get into rhythm and makes sleeping feel more natural. Avoid sleeping during the day, as it makes it harder to fall asleep at night. Process the day's thoughts and feelings and then let go of them. If it helps, write things down or talk about them with someone you trust.

Learning meditation is a very useful tool for stilling the mind and relaxing the body. It can be a very effective way to release tension and de-stress.

Other things you may want to consider are:

- Sleep in a well-ventilated room. It doesn't want to be too hot or cold
- avoid excessive exercise just before going to bed
- drink warm milk or chamomile tea
- avoid eating a heavy meal late in the evening
- Play soft gentle music. The heart actually follows the beat of the music so high-energy dance music revs you up, slower more peaceful music help you unwind.

### School Centenary Dance Nation Performance

#### Tickets on sale NOW!

We know you've been asking, and we're just as excited as you are to see the final performance of the Dance Nation Project on 27<sup>th</sup> June 2013. The performance will start from 6pm and will be held in The Royal Theatre at The National Convention Centre.

Our school will receive 75 tickets in the 1<sup>st</sup> Round – so get in fast before they all sell out! Tickets can be bought from the front office.

**1<sup>st</sup> Round: Tickets on sale 1<sup>st</sup> May 2013 – 31<sup>st</sup> May 2013**

Family admission (4 people) = \$80  
Single admission = \$25 each

*If all 75 tickets are sold you will go on a 'waiting list' and we will request more. Kulture Break will then prioritise second round tickets for you, but they can't promise there will be any left!*

**2<sup>nd</sup> Round: Tickets on sale 17<sup>th</sup> June 2013 – 21<sup>st</sup> June 2013**

Family admission (4 people) = \$80  
Single admission = \$25 each

**3<sup>rd</sup> Round: Tickets available at the door on 27<sup>th</sup> June 2013**

Family admission (4 people) = \$120  
Single admission = \$35 each

GIRALANG PRIMARY SCHOOL: "Adventure in Learning, Caring and Achieving"

### TAKE HOME A BIG BROTHER OR BIG SISTER

Give your children the wonderful opportunity to have an international big brother or big sister by hosting one of our exceptional international students arriving in Australia in July 2013 for their 3, 5 or 10 month programs. Our international students from France, Germany, Italy, Sweden, Norway, Denmark, Finland, and Spain will live as a local, attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Visit us at [www.scce.com.au](http://www.scce.com.au), email [scceaustr@scce.com.au](mailto:scceaustr@scce.com.au) or call us toll free on **1800 500 501**, request our international student profiles, and capture the spirit of family and friendship!
