Sam Beatie	Associate Principle, Gold Creek School
Kathryn Napper	
Claire Naidu	

Acceptance of previous minutes

The minutes of the 2018 Term 1, week 8 meeting were accepted.

Committee reports

President's report

Attended P and C council meeting which focussed on Individual Learning Plans (ILP). The general feedback was discontent amongst all P and Cs. It can be hard to get them in many schools, with some parents resorting to creating them themselves. Once created, they can be difficult to track and manage, with success not measured well. (ILPs are for children that need significant adjustments to the regular program – targeted to the child, for gifted, special needs, or other reasons). Approx. 30 ILPs at GCS. Three stage process:

1. Goals and strategy setting
2. Mid-term review and adjustments – term 2
3. Final report with semester

Looking to digitise in the future – resource burden is high.

Any questions for the minister, please email David.

Treasurer's report

The cash reserve for the end of the reporting period was \$21,966.43.

Deposit for Mother's Day breakfast paid and outstanding balance will be paid shortly. The donation to the school from the colour run needs to be presented to the school, but the money can be transferred at any time.

Change to banking arrangements – because Mackenzie is not Australian Citizen, so signatories need to change.

Signatories – David Pollard, Briony Taylor, Erin Lambert and Heather Lane

Seconded – Angelique Matthews.

The school has begun works on the playground and toilets, so can receive the donation at any time.

Principal's report

Angela spoke on positive behaviours for learning, which was live streamed on Facebook. The full video can be viewed at <https://goldcreekschoolpandc.org.au/about-the-pc/meetings-and-minutes/>

Following the live stream, there was continued discussion on

- looking at 3 years to finalise
- visited Kaleen Primary where they have implemented
 - displays
 - rewards/incentives – tallies for each area to monitor progress and growth areas
 - across primary and secondary but can modify implementation will be targeted to each site.
- How will it fit with IB?
 - – linking the matrix with the IB language used to integrate
 - IB logo – looking to integrate with the behaviours to get the learners that we need.
 - Max of 5 per area
- Parents will be integrated into the development process soon, but not at this stage.
- External coach has been discussing reward systems and monitoring the data collected throughout the development

General Business

Events

Colour Run

Scheduled for last day of term 3.

Locked in the vendor.

Fundraising focus – Playground enhancements.

Attach the pictures of the table tennis tables (senior) as a tangible thing that last year's money has bought to help promote people getting involved – Possible to reality. Astro turf, hopscotch and setting. for the Junior.

Secondary – dress-up, band playing would be great. Theme needed - e.g. colour, winter wonderland, spring fling, etc

End of term BBQ

Term 1 went well, volunteers were helpful – \$1500 plus cash collected – need to take out the expenses before profits are known.

Term 2 and tentatively term 3 can be run by the year 10 students to raise money for their formal. The road ready course will be on week 10 of term 2, so need to move the BBQ to week 9.

Great to link to the community using the senior site students for events

Need to get the details onto Flexi Schools soon as this term will have a week 9 BBQ.

Mother's Day event

Catered for 300 and used about 200 breakfast rolls taken. All Danishes taken and most of the hot chocolate. Less people than previous years, but it was a very cold day.

Drinks was still an issue, but better than last time – need extra urns – can buy one if need regularly. Need to have 3 running.

A dozen year 10 students helped on the day. They will also be helping with Father's Day and will run one of the end of term BBQ.

Trivia Night

Too late for a week 7 event. Need a month notice for getting prizes through the clubs. Need to have some save the date in week 10 of term 2,

Date – Term 3, Friday week 3 (10 August)

Venue – could use the senior library for a warmer environment. Issues with the time available to set up after the OSHClub is finished with the hall.

Need to advertise better for the BYO food for your table so everyone is aware.

Fundraising

Potential grants coming up include:

'It's your move' for senior site canteen upgrades

Reconciliation day grants

'Seed funding' – entrepreneur themed grants

Other business

None

Close of meeting

The meeting closed at 7:30 pm.

The next meeting will be held on **Wednesday, 20 June 2018** in the Senior site office.
